

VT-Junior

10-inch guitar speaker derived from V-Type technology

Loaded into many popular branded practice combos the VT Jr is now available to buy for replacement and upgrades. Delivering the same balance and musicality as its big brother the V-Type, the 10-inch VT Jr. has been formulated using the same recipe of old and new design techniques. Expect a juicy low mid punch together with plenty of high end sparkle and the same thrilling responsiveness that will leave you feeling connected to your music.
