

G10N-40

This classy 10" is a true 'modern vintage' guitar speaker, that delivers an exceptionally well balanced tone that has real Celestion pedigree.

The G10N-40 is characterised by satisfyingly deep lows that are complemented by sweet and clear upper mids and an articulate, well-defined top end.

Loaded into small combos, the G10N-40 articulates a detailed and warm clean sound, and its balanced response means this versatile speaker is still able to deliver true British grind when pushed to the limit.

8 Frequency Response
