

Legacy Speakers

G12K-100 (LEGACY)

12-inch rock guitar speaker

Celestion's very own monster of rock the G12K- 100 makes full use of the heaviest G12 magnet to combine huge power handling with superb clarity across a wide frequency response. A massive bottom-end rock-hard mid-range and restrained top-end make this the perfect guitar speaker to add thump and grind to modern high-gain tones. Loaded in 4x12s it delivers its famous sledgehammer lows but it also often finds use in small boutique combos bringing a powerful mix of low-end warmth and mid-range attack.

General Specifications

Nominal Diameter 305mm / 12in
