

Eight 15

The Eight 15 is ideal for upgrading your bedroom blaster with authentic British tone. Well-balanced mids and highs complement a surprisingly meaty bottom end - it's just about the biggest sounding 8 inch loudspeaker we've ever heard! The Eight 15 speaker is available in 4 making it ready, willing and able to blast new life into junior combos like the Fender® Champ™, bringing extra depth, girth and punch to your tone. Supersize the performance of your amp with the sonic might of the Eight 15, the fattest sounding 8-inch speaker around.
